"POPPY DAY" IS PROCLAIMED BY MAYOR SAMUEL

City's Chief Executive Officially Designates August 9th as "Poppy Day"—Citizens Contributed Upon to Contribute.

Mayor J. H. Samuel Wednesday issued an official proclamation setting aside Wednesday, August 9th as "Poppy Day" upon which he calls upon all Maysvillians to contribute liberally to the Memorial Fund for the erection and maintenance of a National Memorial University. His proclamation follows:

"Whereas a nation whose movement has been started for the erection of a National Memorial University in honor of those who fell in France in order that civilization might be preserved, and

"Whereas committees have been named in all parts of the United States to raise funds for the construction of this institution, and

"Whereas nature has decorated the graves of those who fell in Flanders fields with poppies, and the committee in charge has decided to ask the young women of this city to sell poppies on the streets of the city, Wednesday, August 9th,

"Therefore, I, J. H. Samuel, by the power vested in me as Mayor, do call upon the people of this city to remember the valor of those who defeated the Hun in the greatest conflict of arms recorded in the pages of history, and request that all citizens of Maysville purchase from these young ladies the poppies which they will offer for sale on the streets, and call upon them to contribute liberally to the great cause for which the committee is making every effort to raise the necessary funds.

"The merchants are requested to decorate their show windows with a crimson shade.

"I hereby designate Wednesday, August 9th, 1922, 'Poppy Day'.

"Given under my hand and seal this 26th day of July, A. D. 1922.

"J. H. SAMUEL, Mayor."

ATTEMPT IS MADE TO KIDNAP LITTLE GIRL FROM RIPLEY

Stranger Leads Little Girl Astray at South Portsmouth Station—Friend of Neighbor Rescues Girl in Ferry Boat.

The Ripley Bee says: Miss Kathryn Swisher, the 12-year-old daughter of Mr. and Mrs. E. E. Swisher of Ripley, had a narrow escape from being kidnaped at South Portsmouth, Ky., last Saturday. The little girl was at the depot with her father, grandmother and uncle, E. L. Hunt, awaiting westbound C. & O. train No. 7 to come to Ripley. There was a crowd of over 400 persons at the depot. Just before No. 7 whistled an unknown blonde young man with a small light mustache approached the little girl and said: "Your sister, Helen Hunt, is across the river and wants you to come back and spend another week with her—there she is standing on the bank across the river in Portsmouth." Katherine said: "I will go and tell Papa that I am going back to Helen's." But the man objected saying, "No, you'll miss the ferry if you don't hurry—take these two nickels and hurry to the boat." He rushed the child to the ferryboat and told her that he would cross in a skiff. Kathryn got to thinking about the matter as the boat crossed and began crying. A lady whose home was near the residence of Mrs. Hunt on Scioto Trail and who knew Kathryn, saw she was in tears and asked what was the trouble. Katherine then told the lady all about what the strange man had said and pointed him out in the skiff out in the river. The man saw them pointing him out and immediately rowed to the Kentucky shore and disappeared. The lady friend then took charge of Kathryn, and took her to her sister, Mrs. Hunt's home.

This narrow escape of Miss Swisher should be a warning to girls to never speak to strangers when traveling. For had this lady friend not been on the boat, Kathryn's fate would likely have been even worse.

OLD RUGGLES OPENS ANNUAL CAMPMEETING; MANY CAMPERS

Forty-Ninth Annual Campmeeting Is Opened at Ruggles Today—First of Daily Lectures Is Received.

(By J. H. RICHARDSON.) Ruggles Campgrounds, July 26th.—Thursday at 10:30 a. m. the opening service for the forty-ninth campmeeting on Ruggles (campgrounds) will begin. Thus said the chief boss in charge, Rev. S. K. Hunt, district superintendent. Everything is in good readiness for the ringing of the bell and the announcing of the first hymn. Wednesday evening finds the camp literally overflowing with campers. Over fifty cottages are already occupied and still they come. There has been one grand rush since Monday. It is always a matter of first interest to note those who are here. That we will do right at the outset of these daily chronicles. Tubercule Supper is occupied with campers as follows: Harold Hamrich and family, the Misses Bierhoyer, Mr. and Mrs. W. D. Hendrickson, Mrs. J. H. Dodson and Miss Nellie Sears, Mr. and Mrs. Billie Sims, Rev. N. G. Griswold and family, Chas. E. Bure and family, Ira Applegate and family, Mrs. Moody, Mrs. Herbert, Stanley Harbour and family, Mrs. Jas. E. Hutchinson and family, Mrs. Lillie Kelley, J. L. Markwell and family, Bruce Markwell and family, Mrs. John Grant and daughter, Mrs. J. W. Powers and W. L. Davidson, W. N. Cadher, John Brodri and family, the Hendrix family, Mrs. Margaret Muse and Mrs. G. W. Boswell and Misses Boswell, Major Walsh, Mrs. R. L. Simmons and children, Mr. and Mrs. G. N. Harding, Rev. W. S. Peters and family, Miss Flossie Jones chaperoning several young misses, and J. R. Hinton.

The Lane Inn has Rev. A. F. Felt and family, Mr. Henry Morris, daughter, Miss Mattie, and Miss Olive Thompson.

The Kentucky Inn has Miss Anna King and Miss Marie Duran, Mrs. J. W. Tolle and son, the Misses Emmons and J. H. Richardson and family.

Cottages on Northside, which are occupied as follows: Mrs. L. T. Simons and family, W. H. Jones and family, Mrs. W. C. Williams and daughters, and Mrs. W. H. Thomas.

Avenue Building: Dr. and Mrs. W. W. Fugitt and Mrs. J. M. Maxwell.

Avenue leading to tubercule: H. C. Yuzell and family, Miss Rena Mae Caryell, and Rev. F. W. Harrop and family.

At preachers' cottages: Rev. G. N. Jolly, D. D.

In tent: Rev. S. K. Hunt and family. At hotel Messrs. Bobbitt and Price with splendid force of cooks, waiters and all needed helpers and a big supply of good eats not the least of which is several cups of fine "yellow log" already for the frying pan.

From the foregoing it will be seen that the opening day will see a well-filled camp with the Ensworth League Institute crowd mostly to come on later. Rev. Peters manager of the Institute is being kept as busy as a bee, odd job preacher duties. Upon him devolves the responsibility of seeing that everybody who wants to attend finds a good place to stay and plenty to eat—no small job.

A time-honored custom has been restored this year and to the gratification of a large number of campers—that of having plenty of straw to fill beds with. Since the time the campmeeting board had their lumber sawed out in the woods sawdust has been used for a covering under the tubercule. But the sawdust has been better days and so has been removed and we are to be back to the good old days of campmeeting straw. Beds that have not been re-filled for several years got a good "re-filling" today and will all sleep more comfortably tonight.

Already there is much talk of a proper observance of the semi-centennial of the campmeeting next year. Plans will be started when the association meets. It can and should be made a great occasion. It has been suggested that an effort be made to get everyone who attended the first meeting here as well as the preliminary meeting at Canaan's church to be present. Really make it an old-time home-coming.

Rev. F. W. Harrop has been having the time of his life here for the week past—just taking it easy if you call it easy to be totting two grandchildren all about the camp. But where is there a "Grandpa" who would not do it? And Grandpa Harrop is some "grandpa." We are all regretting that he must leave for his home at Somerset tomorrow. His family, however, will remain for the entire campmeeting.

This drouth is a serious thing hereabouts. Just played smash with the blackberry crop. And some of us had put off until campmeeting to get our share of berries. The hot sun and continued dry weather has dried them up on the bushes. Hundreds of gallons have been lost in that way. All crops are suffering from the protracted drouth. A good soaker would be welcomed by all.

Master Maynard Hunt, son of Rev. and Mrs. S. K. Hunt, is to be our new boy this campmeeting. He is a clever, bright young chap and can be relied upon to give good service. Give him your order for papers.

Those who contemplate attending the first Sunday will hear one of the most attractive preachers in Kentucky. Rev. I. H. Miller, D. D. of Ashland. He filled a date at Ruggles two years ago and the management at once started a move to secure him for a full-time evangelist for last year. This they were unable to do as Rev. Miller is a very busy man. The management feels that they have accomplished something worth while by securing him for the first Sunday, and are expecting a great crowd here to hear him.

I will call at the home and shampoo your hair for 50 cents. Satisfaction guaranteed. Rose Anderson, 215 Beech street. Phone 780. 26 July 22

HATS OFF TO BAND, SAYS MT. STERLING PAPER IN WRITE-UP

Montgomery County Newspaper Pays Great Compliment to Maysville Band by Saying They Were the Best Ever Heard There.

This week's issue of the Mt. Sterling Gazette says: "We take off our hats to the Maysville Boys' Band—the best brass band that has ever appeared at the Montgomery County Fair, and we congratulate them on their musical program, given through the four days of the Fair. The band was accompanied to Mt. Sterling by J. Barbour Russell and A. L. Glascock, of Maysville, and they certainly did their very best to give to those who attended the Fair a delightful time. The band was dressed in nobby white and blue uniforms and made a beautiful appearance on the streets. And, say, talk about music—that elven at each concert at the Fair was as good as any ever heard in Mt. Sterling. The harmony and melody rendered and the perfect time kept could not be excelled. During the engagement the following solos were given: 'In Kansas,' by C. D. Russell on the bass instrument; 'All the Nothings,' Edmund Trouble on the trombone; 'Pauca Polka,' by Richard Orr on the piccolo; 'My Old Kentucky Home,' by Kitty Glascock on the saxophone; 'When You and I Were Young, Maggie,' by Elmer Hays on the harmonica; 'Gaily Polka,' by Allen Wood on the cornet; 'Angel Child,' by J. Barbour Russell, Jr., on the cornet, and a cornet duet, 'Punch and Judy,' by Harry Jolly and Eugene Toxey. It is useless for us to endeavor to say what we want to say about the music furnished by the band, because our musical words are lacking. But we will say that in our opinion the musical program of the Maysville Boys' Band at the Montgomery County Fair was absolutely the best that has ever been heard here. The director of the band, Prof. George D. Barnard, was very pleasant and as an instructor and leader is as good as we have ever seen. We certainly hope that the band will visit Mt. Sterling again."

GREENE LINE BOAT REFUSES TO HANDLE CATTLE HERE

Little on Local Wharf Since Tuesday—Boat Refuse to Handle the Same Wharfmaster Reports.

Wharfmaster Willett Thursday complained that the Greene Line steamers had passed up Maysville and had refused to accept cattle for shipment to Cincinnati without any reasonable excuse for the handling of the same and immediately took the matter up with other officials to have it sifted.

Eighteen head of cattle and 18 calves on the local wharf Wednesday as well as several head of cattle and calves and a quantity of eggs on the Aberdeen grade on the same day were refused by the officers of the Steamer Chris Green. The steamer Betsey Ann also passed Maysville Thursday morning and did not take the livestock.

The Chris Green has made a round trip to Cincinnati and the cattle still remain on the local wharf. As this live stock has been here three days without food, Wharfmaster Willett is endeavoring to get Pittsburg boats to carry them to Cincinnati and city officials will likely investigate the Greene Line's refusal to handle the shipments.

UNDERGIRLS SERIOUS

NO DANCING AT BEECHWOOD TONIGHT.

Because of the Union Sunday school picnic being held at Beechwood Park tonight there will be no dancing at the park pavilion tonight but the orchestra will furnish music for a dance Friday evening.

GRINDER INJURED BY SHARP KNIFE.

Miss Minnie Sproenberg, fifth ward grocer, suffered a rather serious cut on the foot Wednesday evening when a sharp butcher knife fell from a counter and struck point first into her foot, cutting a deep gash. Miss Sproenberg suffered the loss of much blood as an artery was severed.

Regular weekly prayer service will be held at the First Baptist church Thursday evening at the usual hour, followed by the weekly meeting of Sunday school teachers. The public is invited to attend.

Mr. William Woods, who for many years has been the watchman at the U. & O. Canal street crossing, but who has been quite ill for some time, was taken Wednesday to the railroad hospital at Clifton Forge, Va., for treatment.

CHARTER TO BE ASKED FOR TOWN BY SUBURBANITES

Petitions Being Circulated Asking for Charter for Town of "Clifton"—Move Made to Head off Annexation.

For some time there has been a very quiet move on foot by city officials to annex to the city of Maysville that section lying directly south of the Sixth ward and known as Clifton, Oklahoma and Eastland, in which there is quite a population. It is understood that the movement has gotten well under way and that quite a large number of the residents in this section have already signed a petition asking the Maysville City Council to annex the territory.

Quite a number of the prominent residents of this section are bitterly opposed to such annexation to the city and the opponents have started a movement, which appears to be meeting with considerable success to incorporate a separate town of the sixth class to be known as the town of "Clifton." Petitions are now in circulation and considerably over a hundred signatures have been procured to the petitions by noon Thursday.

Should the request of these petitioners be granted the town of Clifton would be a separate incorporation with a mayor, councilmen, marshal, police judge and all other municipal officials. It is understood that several have already volunteered to serve the new town without salary until such time as the new town's finances are in good condition.

The chief cause for the movement to organize a separate town, it appears is a head-off the movement to annex the territory to the city of Maysville. It appears that in its present unorganized condition the territory can be annexed to the city much easier than in the event the territory is a corporate organization. It is understood that in a proposed condition the territory can be annexed by the petition of one-fourth the residents of the territory while as an organized town such petition must be signed by three-fourths of the population.

Those who have investigated say that the territory proposed to be included either in the annexation or the new town has a population of approximately three thousand people.

From the interest taken by the two factions in the suburban territory, it appears that there is to be a warm fight on during the next few weeks.

NOBLE-MUSE.

The marriage of Miss May L. Muse, daughter of Mr. and Mrs. Boyd K. Muse 1326 Linden street, Indianapolis, to Charles E. Noble took place Sunday morning at 11 o'clock at the Brookside United Brethren church. The order of DeMolay, of which Mr. Noble is a member, attended the ceremony in a body. Miss Ethel Lewis, bridesmaid, wore a white chiffon frock and carried an arm bouquet of pink roses. The bride wore a white georgette frock and carried an arm bouquet of bride's roses. Jack Conley was the best man. Following the ceremony Mr. and Mrs. Noble left for a short trip after which they will be at home at 1326 Linden street.

Miss Della Wheeler who is the guest of her aunt, Miss Alwilda Wheeler of Forest avenue, leaves Thursday for Alaska Springs, Tenn.

MYSTERY SURROUNDS MURDER OF WINCHESTER MERCHANT

Leon Renaker Found Murdered in His Home Wednesday—Large Reward Is Offered for Murderer.

Leon Renaker, aged 37, one of the most widely known dealers in produce in the state of Kentucky, was found murdered in his home at Winchester Wednesday by his wife who had returned from a trip to Cincinnati.

Walter Renaker, prominent Cincinnati seed merchant, a brother of the slain man, is in Winchester assisting operatives of detective agencies and the Winchester officers in unravelling the case. He gives it as his opinion that his brother was murdered by a Winchester man and that despite the fact that young Renaker's pockets were empty robbery was only incidental and not the motive for the murder.

Well defined finger prints in the blood stains on the young man's neck are the only clues to the murderer. A reward of \$1,000 has been made by relatives and officials.

Renaker was a native of Cynthia and with a brother, Barry Renaker, for sometime operated a turkey pen at Marshall Station.

DENATURED ALCOHOL USED IN BIG WHISKY PLANT.

Louisville. — Three men arrested, three stills ranging in capacity from fifty to 150 gallons seized, and destruction of forty gallons of moonshine whisky and over 1,000 gallons of mash were the products of a raid by federal prohibition agents at 2533 West Jefferson street. Two fifteen-gallon cans of denatured alcohol, which the agents declared were being used in the manufacture of the whisky, were also found, in addition to a quantity of sugar, pycerine and muriatic acid.

DOES BACKACHE WORRY YOU?

Some Maysville People Have Learned How To Get Relief.

How many people suffer from an aching back?
How few know the cause?
If you suffer sudden darting pains—
If you are weak, lame and tired,
Suspect your kidneys.
Watch for nature's signal.
The first sign may be headache or dizziness,
Steady, painful, or too frequent urination.
Nervousness or a constant, dead-tired feeling.

Avert the serious kidney diseases. Treat the weakened kidneys with Don's Kidney Pills.
A remedy especially for sick kidneys.

Endorsed in Maysville by your friends and neighbors. Ask your neighbor.

Bryan Greenlee, grocer, 133 West Second street, Maysville, says: "I suffered a lot from backache and there was a deep seated pain across the small of my back. When I did any stooping I could hardly straighten again. My kidneys did not act regularly so I went to Wood's Drug Store and got a box of Don's Kidney Pills. Don's soon fixed me up in good shape and I have not been bothered since."

"Price 60 cents, at all dealers. Don't simply ask for a kidney remedy—get Don's Kidney Pills—the same that Mr. Greenlee had." Foster-Milburn Co., Maysville, N. Y.

SURE TO HELP SICK WOMEN

Mrs. Baker, So Much Benefited by
Lydia E. Pinkham's Vegetable Com-
pound, Anxious to Help Others

Lebanon, Indiana.—"I was complet-
ly run down from women's troubles and
for a long time was hardly able to do my
work. I had some friends who had
taken Lydia E. Pinkham's Vegetable
Compound, and they told me about it. I
know what it has done for me and I
recommend it to others, as I am sure
it will be a great
help to all sick women. It is a wonder-
ful medicine, and I give you permission
to use my testimonial and my photo-
graph."—Mrs. EMMA BAKER, 310 S.
East St., Lebanon, Indiana.

These letters recommending Lydia E.
Pinkham's Vegetable Compound ought
to convince women of the great worth
of this medicine in the treatment of ail-
ments to which they are often subject.
Mrs. Baker calls it "a wonderful medi-
cine." If you are suffering from
troubles women often have, or feel all
run down, without any ambition or en-
ergy for your regular work, take Lydia
E. Pinkham's Vegetable Compound. It
is a natural restorative and should help
you as it has Mrs. Baker and many,
many other women.
